rachelm@artbyrachel.co.uk

Painting is a way of life which began as a fascinating hobby but has gradually become a profession. I paint mostly in watercolour and pastel and my early choice of subject matter was flowers but I now paint landscapes, animals and whatever takes my fancy! I work with Advocate Art agency and have had paintings published several household names such as W H Smith, Matalan, Marks and Spencer and the National Trust. I recently illustrated a book for National Geographic. It is always exciting to find my images on sale. I rarely know where they will turn up! www.artbyrachel.co.uk
